A MESSAGE FROM THE FITTEAM CEO

I want to wish everyone an amazing year ahead. The rearview mirror is so small and the windshield is so big because the focus should be where you are going!

A quick reflection on 2018:

- More lives changed than ever before.
- More commissions, bonuses & rewards paid than ever before.

2019 is here and we couldn't be more excited! I have always said, the bigger we grow the more challenges we will face and overcome. Every next level in life demands a new, better version of yourself. To get to the next level in 2019 expect to be stretched into a better version of yourself. Life isn't what happens to you, it is how you react to it. I want you to remember these words throughout the year as challenges arise, and celebrate every victory small and large alike.

2019 will be exactly what you decide it to be. There is power in thinking BIG and taking MASSIVE action. My wish for you this year is you do just that, put thinking small in the past. Quit spending time with negative people, they are holding you back. You are capable of living a life most will only dream of.

Leadership is influence. To increase our influence, we all must become better leaders.

10 LEADERSHIP TRAITS THAT REQUIRE ZERO TALENT

BEING ON TIME

If you cannot be early, at least be on time. Tardiness is a sign of disrespect to those counting on you. Chronic lateness is the fruit of lack of discipline.

WORK ETHIC

When the work gets hard, work hard. The best leaders put forth their hardest effort.

EFFORT

What separates the talented individual from the successful one is a lot of hard work. While I'm usually not the most talented person in a room, I will always out-effort all of the talent.

BODY LANGUAGE

Make an impact by how you carry yourself. Hold your shoulders back, look people in the eye. Be confident.

ENERGY

Leaders cannot delegate energy- it is theirs to supply.

ATTITUDE

Lead yourself to determine your attitude instead of allowing circumstances to determine it for you.

PASSION

Passion is the fuel for success. Don't underestimate the power of being fired up.

BEING COACHABLE

Teachability is the hallmark of next-level leaders. Learn to ask questions and listen. Know what you do not know and stay humble enough to allow others to guide you.

DOING EXTRA

Just a little more repeated over time is the difference between good and great.

BEING PREPARED

Unseen preparation results in unforgettable performances.

BUSINESS BUILDING TIP:

SUCCESS CYCLE

Your Success Cycle is one of the most important tools for creating success in both your personal and professional life.

If you have not completed your success cycle, we encourage you to wait no longer and complete it TODAY. For those of you who have, when is the last time you reevaluated? It is important to review and reevaluate your success cycle at least every 90 days.

Fellow Brand Partners and Leaders are available to assist in completing or evaluating your success cycle. FITTEAM looks forward to your success!

OPPORTUNITY OVERVIEW

NEW NAME
SAME PROVEN RESULTS

FITTEAM has officially changed the name of a FIT Party to an Opportunity Overview.

Why the change, it is just a name?

FITTEAM has mailed all 2018 1099 Forms.

Not sure what that is or if you will be receiving one? A 1099 Form is an IRS form that reports income from self-employment earnings, interest and dividends, government payments and more. As a FITTEAM Brand Partner your 1099 represents "self-employment earning" also known as the commissions which have been paid/received by FITTEAM. A 1099 Form is needed to file taxes for any Brand Partner who has earned more than 600 dollars in commissioned income.

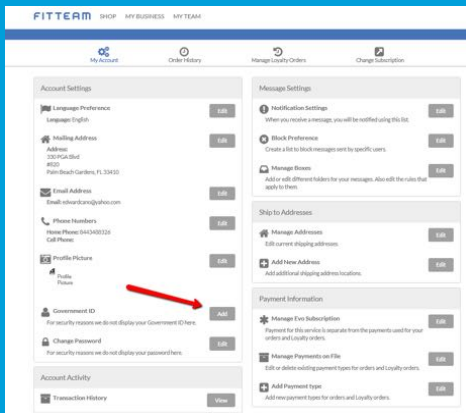

If you have not received your 1099 Form by February 28th, please contact FITTEAM Customer Service at customerservice@fitteamglobal.com.

TAX TIME TIP

Please be advised, moving forward the new Enhanced Virtual Office (EVO) will handle all 2019 tax reporting.

Remember your Government ID (SSN) can be submitted through your EVO portal under "My Accounts". For anyone who does not complete this action and earns more than 600 dollars in commissions, your commissions will be held until the Government ID (SSN) has been submitted.

Please contact FITTEAM Customer Service at customerservice@fitteamglobal.com with any additional question you may have.
