Brenda Johnson - Top Sponsor Award

Brenda is constantly making connections and sponsoring. Her enthusiasm for working her business can't be missed.

Katie Lavergne - Duplication Award

Katie's ability to teach and duplicate her process time and time again is apparent as we watch her team and overall business successfully grow.

MESSAGE FROM THE CEO

NEVER QUIT ON YOURSELF

People will quit on you, but NEVER quit on yourself.

When you build your team, surround yourself with people who don't quit.

You'll be able to identify them because they will:

1. Stay through struggles
2. Help you push through tough times

What someone does when their character, effort and mindset are tested reveals who they really are.

Do you remember that person who quit? Neither does anyone else. NEVER QUIT!

- Chris Hummel

BUSINESS BUILDING TIP

PASSION & ENTHUSIASM

Do you remember the day you joined FITTEAM? Do you remember the passion and enthusiasm you had? Do you remember your "why"?

We ask these questions today because the answers to these questions once laid the foundation for your business and gave you the power to pursue your dreams.

No matter how long you have been in business your passion and enthusiasm remains critical to your success. These feelings are the driving force behind the motivation needed to achieve your goals.

When you truly believe in something and are able to express those feelings with passion and enthusiasm, all those around you will absorb this energy and faith.

As you continue to show faith in FITTEAM'S products and opportunity, people will continue to show faith in you by following your direction.

We encourage you to continue to share the FITTEAM products and opportunity with conviction, passion and enthusiasm. If you do this your business will continue to thrive.
